PRELIMS MENTORSHIP

Civil Service Examinant's Prelims stage is becoming more and more unpredictable with each passing year. To beat this fear and uncertainty aspirants resort to more and more resources and less revision which again pushes them into the vicious cycle of failure!

With years of Experience in guiding students of civil service examination and having given AIR – 67, 91, 94, 138, 165, 269, 279, 296, 329, 333, 515, 618, 842, 976 and many others, we know that it is a game of right strategy and thought process. This stage demands as much Smart strategy as it does Smart work.

So, **The Core IAS team** has come up with a **Daksh** program for people who have been giving successive attempts and have faced multiple failures. The idea here is to produce results where every aspirant giving his/her 100% to the daily targets will surely make it to the mains.

CORE IAS is really an exceptional institute. While other institutes majorly focuses on Prelims part, CORE IAS lays exceptional emphasis on Mains and Answer writing which I believe is a trickiest part of UPSC.

It's very hard to find such a dedicated and passionate teacher like AMIT sir. Really fortunate to be a part of this family.

It was only because of you sir that I was able to unveil the true requirement of the exam.

Highly recommended for those students trying to brush up their Answer writing and Critical thinking.

The Core IAS is the best coaching centre for those aspirants who are ready for the self hardwork and are in a dire need for the right kind of direction. Amit Sir specially gives individual attention to the serious candidates and motivates keeping the spirit high. What I have gained from them is how to tackle exam both prelims and mains. And I m also thankful for the strategy they gave for ANSWER WRITING... I highly recommend everyone to join Amit Sir class and gain as much as possible, rather than going for the big names!!!

Thank you so much Sir and the core IAS team...for your continuous efforts and hardwork.
